

10 IMPACTFUL OUTCOMES LANE CUSTOMERS ARE SEEING WITH OUR SOLUTIONS

When choosing a faxing solution for your business, partnering with a trusted provider is key. Lane has a long history of delivering reliable faxing services to businesses of all sizes. With a focus on secure communication and customized solutions, Lane helps organizations streamline their messaging needs. See how our customers have successfully improved their faxing experience with Lane's tailored services.

1

Our company has 139 active users with Lane's system, allowing us to exchange approximately 20 thousand per day.

-TP ICAP

2

In just two weeks, our completion rate improved, and fax transmission speeds decreased from 61 seconds to 30 seconds per fax with Lane's Fax 2.0.

-Henry Ford Health Systems

3

Lane's secure faxing system now supports approximately 2,000 users and handles about 190,000 inbound and 105,000 outbound faxes monthly, improving this hospital's communications.

-Regional Healthcare Organization,
Lane Customer

4

Prior to Lane's fax solution, this organization had an 83% fax failure rate, and upon implementation of Fax 2.0, they saw a 97% success rate.

-Medical Lab Testing Facility,
Lane Customer

5

From the Lane Passport 3000 to the current Passport 4000, this global financial institution expanded to 324 fax ports, processing 20,000 fax pages daily, and created a centralized hub for fax traffic within the bank's operations.

-A Leading Global Bank, Lane Customer

6

Our partnership with Lane has transformed our ability to provide streamlined faxing solutions, efficiently address complex challenges, and integrate secure cloud faxing technology with Powerpath, ultimately improving operational efficiencies and enhancing patient care.

-Clinisys

7

Our financial services group has eliminated third-party costs and implemented 40 new digital fax lines, saving £300,000 annually and recouping the investment within just two months with Lane's Passport 4000 solution.

-Nomura International PLC

8

Lane's Passport Communication Center has streamlined workflows for TML, a leading anatomical pathology lab with 35+ users, saving time and money. At the same time, their proactive recommendations have continuously enhanced operational efficiency over the past five years.

-Tulsa Medical Laboratory

9

With Lane's fax solutions, our company has been able to exchange nearly 70,000 faxes per month with approximately 40 users. Lane continues to provide us with near-constant uptime, ensuring smooth and uninterrupted fax exchanges with our clients.

-CompuNet

10

Clinicians and lab personnel across all facilities using Lane and faxing total approximately 120. These users send around 300 faxes daily, totaling about 9,000 monthly.
